COONAWARRA

## The Golden Orb Sparkling Shiraz 2015

100% Coonawarra.

In our Shiraz vineyard lives the Golden Orb spider. During the summer they catch vineyard pests, part of the reason why we haven't used pesticides in this vineyard for over ten years.

### Tasting notes

What Australia does best!

Aged in French oak barrel's for 2 years, this is a elegant cool climate Shiraz, that will age well until 2025. Our aim is to make a complex sparkling Shiraz.

Cool climate Shiraz works great as a sparkling, as the mint notes make it refreshing on hot days when you still want a steak.

The oak age has given some nice Christmas cake complexity, but still with fresh blackcurrants and licorice.

### Food match

Christmas turkey, chargrilled beef salad.

**We are very proud of our wines - we hope you enjoy them.**
