COONAWARRA

Angel's Footprints Sauvignon Blanc 2016

100% Mount Gambier.

"Friends are angels that lift you up when your wings have forgotten how to fly. Many people walk through your life, but true friends leave footprints in your heart." So raise your glass - here's to friends.

Tasting notes

Part barrel ferment has given this cool climate wine layers of complexity, with guava, crisp pink lady apples and gooseberry notes.

Winemakers notes

Mount Gambier is even cooler than Marlborough in NZ, so the long growing period allows the grapes to develop an abundance of flavours, and it means we can barrel ferment to increase complexity without losing its crispness and zest.

Single vineyard, organically grown.

Food match

Char-grilled swordfish with mango and macadmia sauce on a rocket, balsamic and pear salad.

We are very proud of our wines - we hope you enjoy them.
